

Green Globe International, Inc. Announces Green Globe Certification Summit in Alicante, Spain

Issued Tuesday, June 23, 10:28 am ET

MURRIETA, CA--(PR NEWSWIRE)--June 23, 2009--Green Globe International, Inc. (OTC: GGII), the worldwide owner of the Green Globe brand, today announced a Green Globe Certification Summit scheduled for June 25-29, 2009 in Alicante, Spain. The 3-day event is intended to bring all European-based Green Globe sales personnel, consultants and independent auditors together in order to provide clear guidelines, sales and marketing structure and additional information on Green Globe standards.

At the summit, Green Globe Certification is also offering accreditation training to allow qualified individuals to become independent auditors for Green Globe Certification worldwide.

The summit is being held at Hotel Mio Cid and is the first in what is scheduled to be a series of Green Globe Certification Summits, which offer a unique opportunity for interested businesses, hotels and individuals to attend a conference focused on all issues around achieving the world's most recognized certification label. Guido Bauer, CEO of Green Globe Certification and VP of Global Sales for Green Globe International, and Bradley Cox, COO of Green Globe International, will attend the event.

“We look forward to meeting with our existing European partners and affiliates, as well as those interested in training to become qualified to audit Green Globe Certifications,” said Mr. Bauer. “Green Globe Certification Summits will be held on a regular basis in locations around the world and are designed to further expand the network of Green Globe accredited auditors. Just as we are expanding our sales network into new markets, there needs to be additional program support through the training of new Green Globe affiliates worldwide.”

Green Globe recently updated its certification requirements for businesses participating in the Green Globe Certification program. For more information on Green Globe Certification, please visit www.greenglobecertification.com.

The Green Globe brand and program, which traces its roots back to the United Nations Rio de Janeiro Earth Summit in 1992, where 182 Heads of State endorsed the Agenda 21 principles of Sustainable Development, has primarily been used in the travel and tourism industry but is now being expanded to include a growing number of environmentally responsible businesses in a

variety of market sectors. The Green Globe brand is an ideal symbol for the world's increasing awareness of environmental responsibility and response to global climate change.
